

Somewhere In My Memory Candles in the window,
painting the ceiling Gazing at the fireglow, feeling
'gingerbread' feeling. Precious moments, special
Somewhere in my memory Christmas joys all around
all of the magic, All of the family home here with me
Somewhere in my memory Christmas Candles in the window,
Somewhere In My Memory Candles in the window, candles
painting the ceiling Gazing at the fireglow, feeling the
'gingerbread' feeling. Precious moments, special people
happy faces I can see. Somewhere in my memory Christmas
joys all around me Living in my memory, all of the music
all of the magic, All of the family home here with me
Somewhere in my memory Christmas joys all around me
Living in my memory, all of the music, all of the magic
All of the family home here with me. With me, With me
Somewhere In My Memory Candles in the window, shadows
painting the ceiling Gazing at the fireglow, feeling that glow
Precious moments, special people, happy faces I can see
joys all around me Living in my memory, all of the music
All of the family home here with me. Somewhere in my memory
joys all around me Living in my memory, all of the music
